

Biotronik Invite: Calling all Technical Students!

Please join us for our Spring Career Fair!

Wednesday, May 18th, 3:00pm-5:30pm

**** 6024 Jean Rd. Lake Oswego, OR 97035 ****

Are you studying engineering or working on a technical degree? GREAT! We are looking for:

- Full Time (40 hrs/week) workers
- Interns (part time workers – we can work with class schedules)

We need students who study:

- Microelectronics
- Mechanical Engineering
- Electrical Engineering
- IT/Computer Science
- Robotics
- Machine Manufacturing

Please join us for:

- Networking with current employees and hiring managers
- Tours of our manufacturing facility
- Interviews leading to Manufacturing, Engineering and Quality Assurance careers!

Please RSVP by May 6th to: Bonnie.melius@biotronik.com

Please email your current resume with your RSVP & bring to event!
